

# CAROLYN PARK MIDDLE SCHOOL READING ROCKETS PROGRAM

This year at CPMS, students are invited to participate in our Reading Rockets program. Students will receive a free pack of books and reading material, as well as a folder with reading logs. The books are from various authors and cover different topics. Students are encouraged to read twenty minutes a night. When your child reads twenty minutes daily, please sign their reading log. Reading logs will be turned in to ELA teachers at the end of each quarter, and students will receive prizes for their participation. To receive the book pack, parents need to sign permission for their child to participate. Parents, you can sign permission for your student in the front office at CPMS.

## Tips for Parents:

- Read with or to your child for 20 minutes each night; have them read to you or you read to them while they follow along with you
- Turn off TV, phone, computers, and games: eliminate distractions
- Think and talk about what you read, ask several questions:

What word on the page is new to you? What do you think it probably means?

What genre would you say this book is? How do you know?

Can you summarize what we read?
